How to Connect to Eduroam with iOS

1. On your iOS device, go to Settings
2. Select “Wi-Fi” (see Figure 1)
3. Select “Eduroam”
4. In the configuration window for Eduroam, provide your Username and Password (see Figure 2)
   a. Students, Faculty & Staff: “Username” is your Mount Wachusett Community College username, followed by @mwcc.mass.edu (e.g. jsmith2@mwcc.mass.edu)
   b. Students: “Password” is the same password that you use for iConnect
      Faculty & Staff: “Password” is the same password that you use for email
5. Tap “Join”
6. You will be prompted to trust a certificate – tap “Trust” (see Figure 3)

Your device should now be connected to the Eduroam wireless network.
