

How to Connect to Eduroam with Android

1. On your Android device, go to Settings
2. Select “Wi-Fi” (see Figure 1)
3. Select “Eduroam”
4. In the configuration window for Eduroam, provide your Identity and Password (leave all other fields as is) (see Figure 2)
 - a. **Students, Faculty & Staff:** “Identity” is your Mount Wachusett Community College username, followed by @mwcc.mass.edu (e.g. *jsmith2@mwcc.mass.edu*)
 - b. **Students:** “Password” is the same password that you use for iConnect
Faculty & Staff: “Password” is the same password that you use for email
5. Tap “Connect”

Your device should now be connected to the Eduroam wireless network. (see Figure 3)
